Details: Each club or group can submit one basket. Only one basket per each club will be accepted.

Baskets must be received by 7PM Friday night and judging will be completed by 10:00 a.m. Saturday morning. The winning club will be announced Saturday night.

Baskets will be judged on originality and creativity. An impartial panel of judges will review the baskets and place the top three (3) winners. All baskets will be donated to the District for fund raising. Unsold baskets will be raffled off at the Sunday morning farewell breakfast. The name of the club may not be displayed on the basket until after the judging has been completed to ensure impartiality. After the judging, all baskets will have their club name and number proudly displayed in front of their baskets.
