

Division F Contest at Valero Parking and Security Considerations

Updated August 17, 2011

The Division F Contest will be held in Building D at Valero. If entering from the 1604 entrance, follow Valero Way to park garage D. This is the second of two garages on your left as you enter. Building D can then be entered next to the garage.

There will be signs pointing the way.

If you enter Valero Way from UTSA Blvd, it will be the first garage on your right.

If you arrive after 10 am, you may find the entrance gates locked, there will be a button to push and a speaker by the gate. If you say you're with Toastmasters, security will open the gate for you.
