*Can you make
Distinguished
by April 15th?*

What are the odds that you will make Distinguished by April 15th? I bet those odds are better than the IRS auditing you!! Your club will receive a \$25 District 55 Gift Certificate for becoming Distinguished by April 15th. Need more incentive? Become Select Distinguished and your club will receive a \$50 Gift Certificate. Still more? Become President's Distinguished and your club will receive a \$75 Gift Certificate.

You will also receive special recognition at the Spring Conference for becoming Distinguished by that date. Bring along your club banner to the conference and you will have preferential treatment and the recognition you deserve during the Parade of Banners.
