### **Think of the successful leaders you know.**

They probably have one trait in common – the ability to communicate effectively. Kids need the *Youth Leadership* program so they can grow to meet the challenges of adulthood and leadership successfully. Sponsored and conducted by Toastmasters International and its local clubs, *Youth Leadership* helps young people build their communication and leadership skills so they may become tomorrow's leaders in business, industry and the community.

### **Purpose of the Program**

Every young person has the potential to become a good communicator and leader, but this potential needs to be developed. The program's unique eight-session, workshop-style design enables participants to develop this potential through practical experience.
