Teams Need Training (TNT) Club Officer Training

Join District 55 Club Officers for Teams Need Training (TNT) on Wednesday, February 15th at 6:00pm at Riverbend Church Quad 4.

What is TNT? TNT is typically club officer training for “advanced” officers. If you have been a club officer in the same position many times, you probably know how to do your role (or least you should, by now)! TNT is a one-hour PowerPoint (PP) Presentation to give advanced officers more knowledge about how each officer role interacts with the other officer roles. We are encouraging ALL officers of a club to attend together, so you can see how each role relates with all of the other roles.

“Non-advanced” club officers are welcome to attend this training, however, the basics of each role will NOT be covered.

Registration begins at 6:00pm with the PowerPoint Presentation beginning at 6:30pm. Once the PP has been presented, an “idea exchange” will follow.

Riverbend Church is located at 4214 N. Capital of Texas Hwy 78746. The meeting room is located in a complex of outdoor buildings called Quads and the room is Quad #4 adjacent to Cedar Street in the left rear of the Complex. Please park anywhere around the buildings and look for the Toastmasters signs.

Registration – 6:00-6:30pm
TNT PowerPoint – 6:30-7:30pm
Idea Exchange – 7:30-8:00pm
