Continuing Education is Back and Better than Ever!

with Bart Loeser and friends

The Continuing Education program will continue to add the same value it did previously for leaders and members, but now attendees can take live classes on different days of the week. Plus, a 12-hour certification in marketing will be focused on VPPRs and VPMs. There are four different types of CE classes each month plus Friday workshops:

- 1st Mondays (focuses on "Membership" issues)
- 2nd Tuesdays (focuses on leadership "Tune-up" issues)
- 3rd Wednesdays (focuses on "Marketing" issues)
- 4th Thursdays (focuses on speech "Techniques")
- 5th Friday workshops on a variety of topics

For those unable to participate live, we'll provide access to video recordings of most classes which can be accessed in the Resource Library. Reach out to Bart at tmbartloeser@gmail.com with ideas or questions. Zoom registration for all classes is posted on the tmd55.org calendar, and attendees are advised to register in advance.

Normally this section of the mid-month newsletter will have up-to-date information on promotions and other ways you can build your membership right now. It is not too soon to start working on Open Houses or SpeechCraft programs. We have experts in the District who can assist you with both. Starting this year, you will need to purchase the digital SpeechCraft in order for coordinators to get credit towards their DTM. However, we also have copies of the manual available for your reference. Just reach out if you are interested in getting a set. These are available on a first come-first serve basis. Email d55dd@tmd55.org. Stay tuned for information on this year's promotions coming soon.

Need an HPL idea?

Are you looking for an HPL idea that can benefit members in the District too? Let us know what kinds of things you like to do and we will find something that is perfectly suited to you. We currently have a need for: helpers to assist with organizing and cleaning out out-of-date information on the website; proofreaders for the main newsletter; assistant Area Directors; demo team members, especially younger Toastmasters; member mentors and people who can help develop mentoring programs for Clubs. Email d55dd@tmd55.org

DISTRICT DIRECTOR'S TIP SHEET

Welcome to the Mid-Month Newsletter! We hope you enjoy it. Please let us know your questions about anything in the District or suggestions for improvement for this newsletter. The goal of this publication is to keep you informed of any important upcoming dates that

did not get covered in the main D55 newsletter. While the main newsletter has much more feature content, the Mid-month is primarily "news you can use to help your clubs and your self improve."
Thanks for your support!
